

CST Gruppe GR – 13.05.2026: Evgenia Misiutin, Kristina Savickaite, Diana Makhanova, Olga Aleksandrova, Oksana Vichniakova, Anastasia Misiutin, Yulia Bonnier, Ekaterina Kalinina, Larisa Abrosimova

At BEX's request to keep the dates championship A, B to the calendar, there are now two options remaining.

The first option is to hold the event on June 20 in Aspelt. The ceiling there is low, but this had been planned from the beginning. Aspelt was chosen as organizer by the General Assembly.

The second option is a higher-level venue that would most likely attract more participants. Ecole GRS urgently reserved a hall for weekend June 20- 21, as requested by the clubs. The proposed venues are Tramsschapp or Belair.

There was a long discussion that the Hall Tramsschapp also not high enough but better hall Aspelt.

The option for Aspelt to organize the event in city sports halls is also not possible, because the municipality only grants them to Ecole GRS.

The final decision now remains with Aspelt: either the club keeps the organizer rights and holds the event on June 20 in Aspelt, or it transfers the rights to Ecole GRS.

Kristina asked for time until the evening of May 17 at 20:00. The final response will be sent to the group for all participants.

After that, the organizer together with CST must prepare the championship invitation on Monday morning.

The nominative registration championship A, B closing date is June 7, 2026.

It was also discussed that changes to the group composition should be proposed during the summer holidays, with a full update of the group members. In the future, there may be fewer online meetings, more in-person meetings, and communication with all clubs mainly by email.
